**SIDEWALK TENDER**

Sealed Tenders are invited by The Rural Municipality of Whitemouth for the removal of existing sidewalk and replacement with a new concrete sidewalk. Sidewalk to be replaced is on First: North from Railway Avenue approximately 300ft.

The Contractor is responsible for:

- Removing of existing sidewalk. Ensure all access material is hauled away.
- Making saw cuts in existing sidewalk sections at joining ends from start and finish points to maintain a straight edge look.
- Ensure base aggregates are supplied and used and compaction meets proper and appropriate commercial sidewalk guidelines.
- Level low lying areas by filling in with proper aggregates.
- Replace sidewalk with the following specs:
  - sidewalk to be poured 4' (feet) wide and 4" (inches) thick, using normal
  - Portland cement; 32 MPA; 5 to 8 AIR; 90+-20 slump with a grid pattern of 6 inches from one side and then every 12 inches, running parallel to the forms
  - the cross grid will be every 16 inches
  - 3/8-inch rebar is to be used
  - driveway sections are the same except thickness will be 5 inches.
  - all sidewalk sections are to be scored every 4 feet.
- All clean up, including top soiling and seeding of grass, must be completed restoring the area to the original state
- All signage pertaining to safety of the public near and around the affected work areas must be supplied and installed.

Any Questions contact Public Works Supervisor David Tolpa at 204-348-2815
