Oct 20, 2026

The Seven Sisters spillway deck (Trans Canada Trail) closed from November 16 to March 31, 2027

Due to the Seven Sisters Spillway Deck Repairs Project the spillway deck (Trans Canada Trail) will be fully closed from Monday, November 16 to Wednesday, March 31, 2027.

Manitoba Hydro apologizes in advance for any inconveniences.

If you have any questions or concerns, please e-mail WCE@hydro.mb.ca.

Seven Sisters Generating Station is our largest producer of electricity on the Winnipeg River. It was built in two stages - construction started in 1929, and was completed in 1952.
