

NOW HIRING

Equipment Operator / Yard Attendant / General Labourer

WRNW Waste Management Facility | Whitemouth, Manitoba

POSITION OVERVIEW

We are seeking a dependable, experienced heavy equipment operator who is willing and able to perform all operational duties. This is a hands-on, multi-duty position—not an equipment-only role.

KEY RESPONSIBILITIES

• Safely operate skid steers, excavators, loaders and other authorized equipment.

• Perform landfill operations, site upkeep, equipment checks and damage reporting.

• Sort, bale, load and handle recycling; assist with waste and hazardous materials as trained.

• Provide customer assistance, monitor incoming loads and direct traffic.

• Complete general labour, cleaning, maintenance and required records.

• Follow all safety policies, environmental requirements and supervisor directions.

REQUIREMENTS

• Previous heavy equipment operating experience is REQUIRED.

• Able to perform physical work outdoors year-round and switch between operational duties.

• Reliable, safety-conscious, professional with customers and able to work as a team.

• Landfill or recycling experience is an asset.

REQUIRED CERTIFICATION & TRAINING

The successful applicant must pass the Landfill Operator Certification (LOC) examination within the first three (3) months of employment as a condition of continued employment. Additional required training may include WHMIS, TDG, equipment certification, First Aid/CPR and other safety or environmental courses. WRNW covers all required training, examination and certification costs.

HOW TO APPLY

Submit your résumé to manager@wrnwwaste.com | 204-348-2125

Applications accepted until the position is filled.
