#### **SNOW REMOVAL**

Be advised that "any party who deposits snow upon a highway or the shoulders thereof," may be in contravention of Section 217 (2) of the Highway Traffic Act, which reads as follows: "A person who drops, throws or deposits upon a highway any substance or thing likely to injure a person, animal, or vehicle shall immediately remove it or cause it to be removed." As the practice of cleaning private lanes and driveways and leaving snow on the road and/or shoulders creates hazardous driving conditions, the Rural Municipality of Whitemouth would expect that all residents will comply with the above-mentioned section of the Act.

The objective of the winter snow removal and sanding policy is to provide uniform service to the public throughout the Municipality during a normal winter. For unusual or very difficult conditions, the Municipality will restore normal service as soon as available resources permit.
