

Policy for Festive Lighting

Overview:

In order to provide consistent direction to RM Staff and service dates for the public.

Policy:

1. Municipal Festive Lighting shall not be set up, installed, placed and energized, before Remembrance Day.
2. Municipal Festive Lighting shall be in operation until the third week of January.
3. Municipal Festive Lighting shall be energy efficient.
4. Operational dates will be added to the Public Works calendar, to ensure staffing and equipment are available for the dates set out in this Policy.
